Protection of privacy

Monstera Estate respects your privacy and undertakes to protect the personal data obtained through the online information system with care, and shall not disclose the personal data to third parties use it for other purposes without your consent. Because the online information system includes links to other, external websites, which are not related to Monstera Estate website, we assume no liability for the protection of data on such external websites.

Cookies

Cookies include information on your website visits. When you visit the website, a cookies (file with information) is stored on your computer, which ensures simplicity and speed on one hand, but on the other hand represents an invasion of privacy or option for subsequent targeted advertising.

Cookie contents

Cookies include basic information on your visits to a specific website. It includes the name of your computer or your name, followed by the name of the visited website. Cookie contents are stores on your computer, in a special folder. By double-clicking on the file, you can view detailed information on the visited website, date and time of visit. All this data is also stored by the administrator of the visited website. This allows website administrators to learn a lot about your computer hardware and Internet usage.

Using settings, we can delete or exclude cookies, or define conditional use. Generally, browsers are set to accept cookies, while rejecting cookies originating from domains that do not match the visited website.

Monstera Estate undertakes to protect the data and privacy of website visitors to the best of its abilities. To prevent unauthorised access or disclosure of gathered data, to maintain the accuracy of personal data and ensure its appropriate use, we use suitable technical and organisational procedures to protect the data we gather.
